**"The past**

**is**

always

with us."

## Foreword

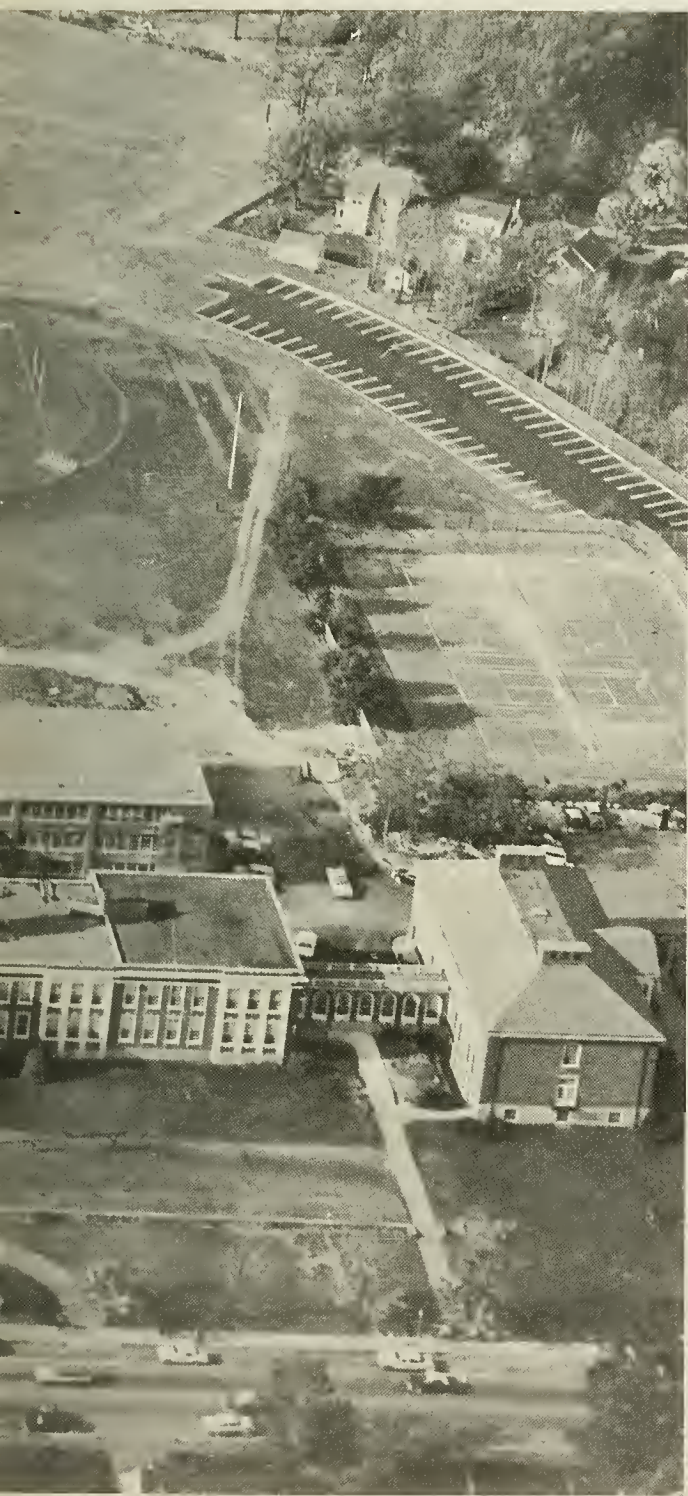

Many Americans tend to forget their debt to the past and to respect only their own immediate experiences. Like Huck Finn, they "don't take no stock in dead people." We, however, are well aware of the importance of the past, despite the speed with which the future seems to approach. The function of the past is to give value to the present moment. We learn not only from mistakes made yesterday, but those made hundreds of years ago. In building a better society, we can find comfort and inspiration from the pages of antiquity. Therefore, we venture forth into the world with faith and confidence, knowing full well that "the past is always with us."

## Dedication

The class of nineteen hundred and sixty-two proudly dedicates this year's edition of the TIOT to Jacqueline Kennedy, wife of the President of the United States. In her role as First Lady, Mrs. Kennedy has revived a genuine interest in authentic antiques of historical value at the White House. Her television presentation, "A Tour of the White House," with emphasis on "the past is prologue to the present," underlines very well our yearbook theme, "the past is always with us," and so we feel it most appropriate that she should be the recipient of the honor of our dedication.

### **Sophomore Officers - Class of 1962**

Maxon, Tragakis, Pender, McAuliffe, Karshis, D'Espinosa.

## **Our Ancient History**

It was in September, 1959 that, as Sophomores, the class of 1962 set out to climb the long road leading to the top of "the hill." Our first step was to select capable leaders to guide us during our first year. President, John D'Espinosa; Vice-President, Paul Karshis; Secretary, Maribeth Pender; Treasurers, Kathleen McAuliffe and Christie Tragakis; and A.A. Representatives, Diane Bortolotti and Charles Maxon proved themselves worthy of the trust placed in them.

In October, with the aid of our Sophomore advisers, we organized the Sophomore Party, our debut into N.H.S. social life. Such talented performers as Fred Purnell, Kathy Clarke, Barbara Broadbent, Jean Ferrara and the "seven little girls"

provided the entertainment and sparked an evening of refreshments and dancing.

Even as lowly sophomores many of our boys participated in varsity and J.V. sports. Paul Bender, John D'Espinosa, Denny Mattson, Billy Davis, Bob Coughlin, John Howard, and Bob Dias proved themselves competent on the gridiron. The winter of 1959-60 unveiled great future prospects in Pete Maddocks, Bill Balutis and Paul Bender in basketball and Dave McCue, Albie Crowell, Wayne Petrovek, Richie Armour, and Marty Callaghan in hockey.

These are only few among the many happy recollections and exciting events that made our Sophomore year, although an awkward and difficult one, truly a memorable one.

## Our Moyen Age

With renewed vim and vigor, the class of 1962 returned to Norwood High to face the responsibilities and the challenges of being Junior classmen. As a result of vigorous campaigns John D'Espinosa was re-elected President with Paul Karshis as Vice-President; Maribeth Pender as Secretary; Kathy Tracy and Richard Pearl as Treasurers; and Diane Heylin and Paul Bender as A.A. Representatives.

The accomplishments of our athletes during our second year brought much credit to the junior class. Proud were we when Pete Maddocks was among the top ten scorers in the Bay State League and when Don Meeker won the Bay State League Discus Championship. The junior "Nuggets" played vital roles in the winning of the Bay State Hockey Championship.

Baseball captivated the interest of Pete Maddocks, John D'Espinosa, Ronnie La-Civita, Denny Mattson, Wayne Petrovek, and Marty Callaghan.

Beverly Rodgers was chosen to represent Norwood High in Switzerland and on her return, through her talks, we were able to enjoy vicariously her many adventures in a far-off land.

April 7 brought an evening we had long anticipated, that of the Junior Prom. This evening of dancing under magical skies of "Lavender Blue" was to the surprise of many people a wonderful and successful event.

Finally, we attended Class Day to say farewell to our many senior friends. We had finally attained the privilege and respect of being called Seniors.

## Our Up-to-the-Minute Story

September 1961 ushered in the last of our illustrious years at N.H.S. and set the stage for forthcoming events. We started the year off by indoctrinating our sincere, warm-hearted exchange student from Turkey, "Holly" Sacir, to the ways of Norwood High.

Then, because of his display of capable leadership, we elected John D'Espinosa to guide us for the third consecutive year. The other offices were filled by Paul Campisano, Vice-President; Maribeth Pender, Secretary; Roberta Oliver and Alvin Crowell, Treasurers; Diane Heylin and Bob Coughlin, A.A. Representatives.

Another of the "top men" in our class, Paul Karshis, our diligent and hard working Student Council President, has in spite of the many changes this year, done a commendable job.

Double sessions also made it very difficult for "Tiotears" Mary McAuliffe and Bill Callahan, chief editors; Gema Duoba, Kathy Patten, and Phil Karshis, art editors;

Bev Rodgers and Paul Campisano, circulation editors; Elizabeth Dempsey and John D'Espinosa, sponsor editors; and Kathy Boulis and Chris Tragakis, advertising editors. However, they should be congratulated on the excellent job they did.

Football co-captains Paul Bender and Bob Coughlin with teammates Rick Armour, Bill Davis, John Howard, Joe Didick, John Navickas, Bob Dias, John D'Espinosa, Brian Connolly, Mike Poirier, and Don Meeker deserve much credit for their hard work and good sportsmanship. Ardent supporters of the team were cheerleaders Jean Ferrara, captain, Judy Folan, Maribeth Pender, Kathy Haughey, Linda Stupak, Sue Carolan, Marcelle Vinson, Anita Grinavic, and Sue Devine.

On Friday evening December 8, the class of '62 awarded its "Oscars" to Jean Wilkinson, Dennis Kelter, and David Condon, for their unique performance in the play, "Stag Line." Supported by an enthusiastic cast and dear old "Smitty,"

and under the competent direction of Mr. John Flaherty, this performance provided both the audience and the cast with many a laugh.

This year the basketball games were accompanied by the strongest spirit in many years. Capt. Pete Maddocks' scoring ability, backed by Bender, Balutis, and Davis, made many of the games close and thrilling. We were proud when Pete won the second spot in the Bay State League scoring records and was chosen to represent Norwood on the All-Star team.

On many cold, Saturday nights, the Golden Nuggets' Dave McCue, Albie Crowell, Wayne Petrovek, Rick Armour, Marty Callaghan, and Bill Callahan gave the fans many a thrill, especially in the well-deserved victory against rival Walpole. Albie Crowell and Wayne Petrovek added to N.H.S.'s fame when they tied for second place in the hockey scoring standings.

The final class production, "Check Your Worries," was presented in April. The combined efforts of Donna Johnson, Joyce Plasko, Lorraine Keleher, Louise Tanning, Arthur Rogers, Jerauld MacFarland, Fred Purnell, Joe Troilo, Dick Pearl, the senior

class, and the advisers, made the production a tremendous hit.

Amidst the varied spring activities we found time to root for the "blue and white's" diamondmen, Wayne Petrovek, Marty Callaghan, Bill Balutis, Pete Maddocks, John D'Espinosa and Denny Mattson.

Our Senior Prom on May 25, which we had anticipated for so long, had for its theme "Moon River" and this star-studded evening was all we had expected.

The final addition to these wonderful memories is Class Day which we are now attending with mixed emotions. We want to express our sincerest thanks to Mr. Hayden, Mr. Monbouquette, Miss Ryan, our guidance teachers, class advisers, and other devoted teachers, and last but not least our parents who are sharing with us now this momentous occasion. We thank them for guiding us through this important period and helping us to prepare ourselves for the challenging world of the future. We take with us now many fond memories which will remain in our hearts regardless of where our paths may wind.

# Memories Are Made of This

1. Remember Nana's and Heimie's double "C's"?
2. How do you like America, Dana?
2. Get out of the barn, Meisenzahl.
4. Remember those summer nights at Father Mac's?
5. Who won the rumble on the ice, boys?
6. Why did French III enjoy those slides of Paris?
7. Remember Tink's spoonmen?
8. How many kids went to J.F.'s for lunch during double sessions?
9. Paul, tuck your shirt in.
10. Did the senior boys really enjoy the play?
11. Remember those trips to Wellesley, girls?
12. What happened to Byron and Dottie at Blue Hills?
13. Remember the night at George's?
14. Shamrocks grow in strange places, don't they?
15. Why was Nana kidnapped?
16. Those traffic rules really had us going around in circles.
17. Remember our boy cheerleaders at the basketball game?
18. How did Ollie celebrate St. Patrick's Day?
19. Who goes to church at 3 o'clock in the morning?
20. Remember the Cork City boys on St. Patrick's Day?
21. Will the Natick football team ever forget Byron's debut and grand finale?
22. Why were Louie and Don always at the library?
23. What happened to our football captains when the season was over . . . girls?
24. Remember all those night at Judy's, Bob?
25. Who were the "Inconsiderates?"
26. Remember those Sunday afternoons at Coughlin's?
27. Remember the "Hustlers" at the C.Y.O. dances?
28. Remember that sweet-smelling odor from the chemistry room?
29. Where did Wayne ever learn to Twist?
30. Why did all the girls want to go to Westwood after the Foreign Exchange assembly?

IN SWITZERLAND

#### ***I'll Never Forget:***

The warm genuine welcome of my Swiss family.

The beauty of the Swiss scenery and the quaint, picturesque villages.

The incomprehensible Swiss dialect and my attempts at conversing in Latin.

The expressions of amazement when I mentioned that I didn't like Elvis.

The fabulous Swiss pastries and how they "caught up" with me.

Rising at 4:45 AM to go to school with my Swiss sister.

Trying to translate "Who Put the Bop" in German.

The visit to the chocolate factory and how uncomfortable we felt for a week.

The terrific group of kids on the boat ride home and listening to their experiences.

IN AMERICA

#### ***I'll Always Remember:***

My sincere, sweet American family.

Twisting-parties, candies and ice cream.

My lovable and funny American friends and dear teachers.

My favorite game, hockey; the Saturday night hockey bus.

The giant stores, my first colorful Christmas.

Climbing Monadnock Mountain, and sleeping in a tent.

Fried chickens, lamb chops, and apple pie, my favorite American foods.

Fabulous teen-age drivers; bermuda shorts; and interesting songs.

Learning about America, and having a marvellous time, thanks to AFS.

Now back to Turkey, but I'll remember and remember America.

## Troika on the Hill

These three young men held the highest positions in the Class of 1962.

John D'Espinosa, our class president, served three terms and we're all proud of the way he has represented us. A member of the National Honor Society, John was chosen "most likely to succeed" and "best student" by his classmates. Among his other accomplishments, he was a member of the football and baseball teams and an active participant in the Student Council. Next year he plans to attend the College of the Holy Cross and from there to enter the teaching profession.

Our tall, good-looking Student Council President this year was Paul Karshis. Paul's

interests outside of school included swimming and science, while in school he concentrated most of his interest in science and math. Next year he plans to attend either Rensselaer Polytechnical Institute or Iowa State University and take up engineering.

The third member of this personable trio is William Callahan, the Co-editor in Chief of the yearbook. Besides his academic achievements, William was a member of the hockey and golf teams and belonged to the Student Council. Bill has his eyes set on Colby College or the College of the Holy Cross for next year. He aims to be a retired millionaire.

## Guidance Department

The new Guidance Suite located opposite the main office is complete with four offices and a combination waiting room and reference library. This cluster of rooms has become famous for its cheerful atmosphere. Future plans call for an adjoining lounge where students can meet with college delegates, browse through vocational and educational literature, and hold interviews with prospective employers. The new suite is also equipped with an energetic working force of four counselors. Last year's guidance force consisting of Mr. Donovan and Mrs. Goepner has been augmented with the appointment of Mr. Frabotta and Mrs. Paige. Mrs. Ashman is available from 8:30 to 3:30 in order to offer more complete secretarial services.

The task of pointing our Norwood High scholars toward bright futures is being handled with utmost concern for the individual. The counselor-student ratio is now approximately 1 to 300. Each counselor has been assigned to a group of students which includes one-fourth of each class. In this way, the counselor-counselee relationship continues for four years. This affords the student the opportunity to obtain frequent counseling sessions and permits the counselor to become more fully acquainted with the student.

# Library and Reading Program

## LIBRARY

For the first six months of the year double sessions meant new schedules in the school library. The library was open in the morning and afternoon so that students might take advantage of the 4,500 books available during the half of the day they were not in class.

Such projects as the Chamber of Commerce essays have made it necessary to step up the work of expanding the library. During 1961 about 1,000 new volumes were added. Last spring the library sponsored a paper back book fair at which 1,026 books were sold. Mrs. Ann Leason has joined the staff and beside her duties as secretary, helps with the processing of the many new books arriving to augment our growing library.

## READING DEPARTMENT

The reading program at Norwood High has been developed for the purpose of promoting reading abilities necessary for success in today's highly competitive schools and colleges.

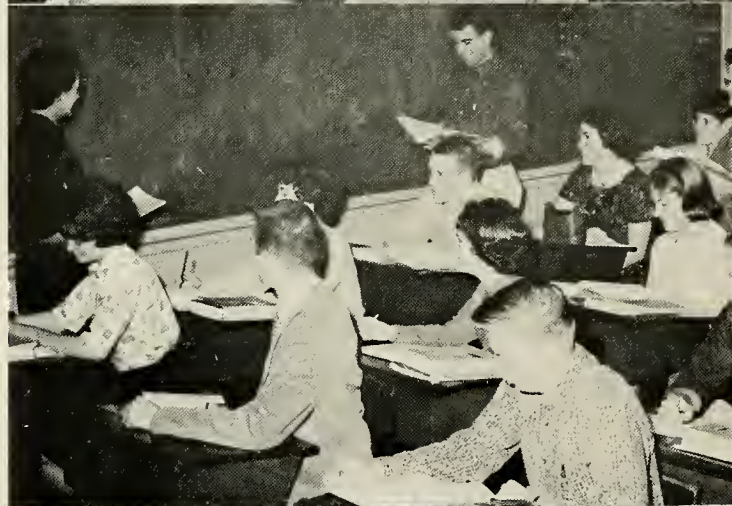

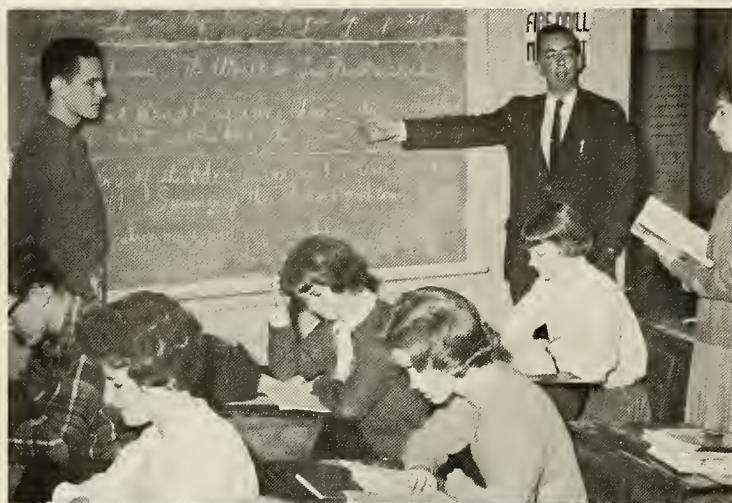

This year we are fortunate to have two modern reading laboratories that are fully equipped with excellent materials for students at all reading levels. Because of the increased demand created by the number of students who elect the reading program, there are now two reading instructors: Mrs. McGrath and Mr. Phillips.

A Study Skills and Reading Course is now required for 9th graders. Other reading courses are available to upper-classmen on an elective basis.

# English Department

The English department offers a variety of courses in the art of using our language in reading, writing and speaking. English is necessary as a basic skill for any career the student may choose.

Grammar is taught as the base for correct written and oral expression, but a knowledge of literature is the core of all English studies. Norwood High School uses a variety of texts to explore the short story, novel, play, essay and other literary forms. A survey of American and English literary development is carried on through the Junior and Senior years to give the student a better understanding of the English classics.

Several times during the year, students are given the opportunity to consult privately with their English teachers about their written work. These conferences enable teachers to correct any individual problems the student has in writing.

A special feature in the English department is the several excursions to Boston theatres to see stage plays. In this way, interested students are given the opportunity to see worth-while plays at a nominal price.

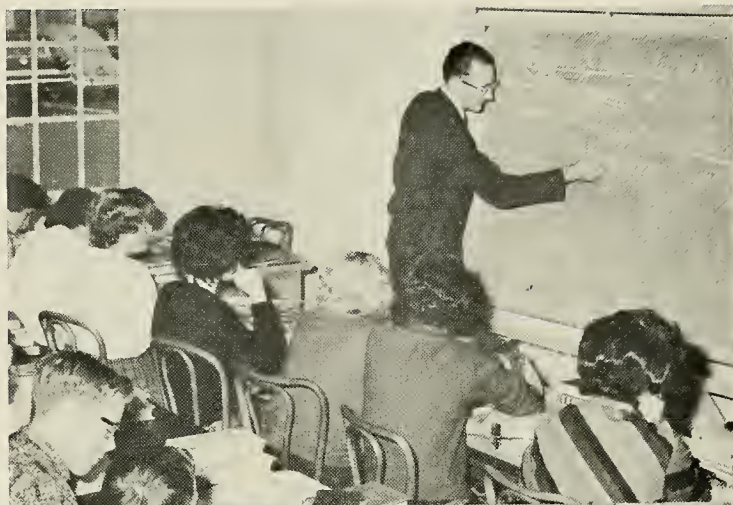

# Foreign Language Department

This year more courses are offered in foreign languages than ever before. Because of the increased number of classes, many new teachers have joined the department. For the first time we have a French IV and a Spanish III class. Although these classes are small they indicate a new interest in the cultures of foreign countries. Other courses include Latin I, II, III and IV; French I, II and III; and Spanish I and II. This year 9th graders had the opportunity to elect Spanish I, so that in a few years Spanish IV will also be available.

This year for the first time a Spanish Club was organized, under the guidance of Mrs. Perez. The club's activities give the members an opportunity to broaden their understanding of Hispano-American culture.

After the opening of the new building, a 30 station modern language laboratory will eventually be available. Here students will have special opportunities to improve their pronunciation and comprehension of oral foreign language, and teachers will be able to give students more individual work. The Foreign Language movement is definitely on the march in Norwood and ensuing years will see us taking great strides toward a more comprehensive program.

# Mathematics Department

In September, classes in Modern Mathematics were begun in the ninth, tenth, and eleventh grades. Modern Mathematics differs from traditional mathematics in content, approach, and emphasis. The content is considerably extended, the approach is more abstract and sophisticated, and topics such as functions and inequalities, which in the past were given more attention, are examined more critically. Transitional mathematics, as the name implies, is a more cautious approach to bolder concepts. Courses in both modern and traditional mathematics are efforts to improve the old; neither remotely suggests any abandonment of all that is good in traditional mathematics. For a period to come, in order to provide for all, the three approaches will be necessary but it is probable that on all levels the impact of the newer mathematics will continually increase.

Math. IV includes about half a year of what until recently was considered college mathematics. The accelerated group, which begins algebra in the eighth grade, will normally complete Math. IV by the end of the junior year and will have beyond this a full year of college mathematics in the senior year.

# Science Department

Four science courses are presently offered to students. General Science for freshmen includes an introduction to upperclass studies. Biology for sophomores offers a study of Zoology, Botany and Human Biology. The honors-track course uses a college text. Chemistry is now taught using ideas from the Chemical Bond Approach. The Physics course offered to seniors was developed by the Physical Science Study Committee. Applied Chemistry and Physics place emphasis on the practical application of these sciences to everyday life.

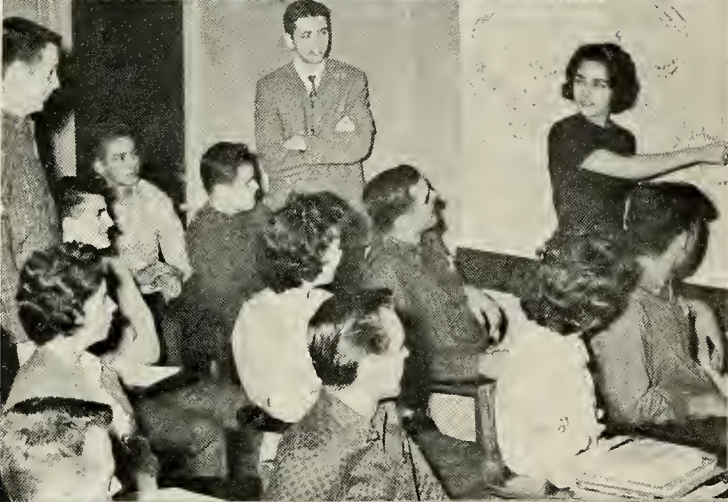

With the opening of the new building, will come an entirely new Science Department. It will include three biology rooms, three chemistry rooms and two physics rooms. Special rooms are: an advanced research laboratory, several darkrooms, an animal room and a growing room. The physics and chemistry laboratories will have electrical outlets so that students may do experiments involving electricity. All these new improvements have been made to advance the student's interest in science.

In today's age of the atom, science is becoming a greater factor in world affairs. The new Norwood High science department is a recognition of this fact.

# History Department

As the record of the past, history touches on all aspects of human activity. Norwood High's History program is designed to develop well-informed citizens by acquainting them with the past, present and future.

The courses offered are varied. Ancient History gives the student a basic understanding of the growth of civilization. It stresses a study of the empires of Egypt, Greece and Rome. World History covers civilization from Biblical times to the present. American History shows the growth of our country in economic, political and cultural events. Consumer Economics is the study of world finances. Modern Problems examines current events and modern societies.

The History Department is experimenting with team teaching this year. Each of three social studies teachers becomes well informed in one area of the courses he is teaching. For the first three terms, the teachers follow a plan of rotation whereby the students receive extra instruction in various areas. The fourth term, teachers return to their original classes. If this program proves successful it will be continued next year.

## Business Department

Norwood High offers a variety of courses for business-minded students. The Business Department is on a full time basis this year for the first time. Previously many courses were held at the Peabody School. Included are General Business Training, Economic Geography, Typewriting, Filing, Business Arithmetic, Shorthand, Business Law, Bookkeeping, Transcription and, in co-operation with the Henry O. Peabody School, Business Machines.

The work accomplished by our business students opens the door to many interesting careers as secretaries, stenographers, file clerks, machine operators, typists, and general office clerks.

Although most of these courses are designed for the vocationally-minded student, others, such as typewriting, are necessary for most students who are planning higher education. Many young people are not well acquainted with the financial structure of business, tax problems and the number of opportunities available in business and management. A well-rounded education should include knowledge of the rudiments of business since the prosperity of our country depends on the prosperity of business.

# Music and Art Departments

## MUSIC DEPARTMENT

Future plans for the music department at Norwood High School are bright indeed at this time. In the fall of 1962 a spacious stage and beautiful auditorium will be available for various musicale activities and rehearsals. Musical shows, choral concerts, and band concerts will be presented in an atmosphere conducive to real cultural enrichment.

Music classes will be resumed in the new music room, located directly in back of the new auditorium. Choral groups will be reorganized and the band will be enlarged.

## ART DEPARTMENT

The Norwood High Art Department has expanded this year. The new wing contains two art rooms equipped with modern materials including a large kiln for ceramic work projects.

Students have the opportunity to work with many different art forms. Projects include the use of tempera and oil paints, ceramics, block prints and other media. Emphasis is put on creativity and originality and students learn many different drawing and printing techniques. Students also learn to appreciate great art and to recognize the work of such painters as Renoir, Van Gogh and Matisse.

# Home Economics and Industrial Arts

## HOME ECONOMICS

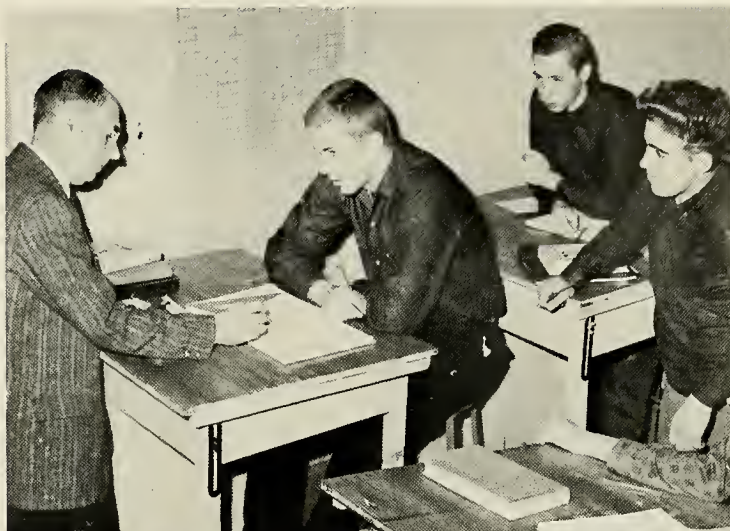

The Home Economics Department has added facilities this year in the new wing. The Foods Course consists of the fundamental techniques of meal planning, nutrition and child care. In Clothing, emphasis is placed on construction and fashion. The course includes Home Management, Interior Design and Textiles.

Junior girls are required to take Youth Problems, primarily an orientation class. Senior girls interested in nursing may take a minor course in Nutrition, Disease and Family Problems.

## INDUSTRIAL ARTS

Besides the courses previously offered in Mechanical Drawing, the Industrial Arts Department will have facilities in the new building for several more courses. General Woodworking will provide experience for students in the use of handworking tools and, in the advanced program, of power machines. General metal works will teach the fundamentals of the machinist trade by use of modern tools and power operated machines. Electronics will give an introduction to the theory of the electronic industry and will progress to a more intensive study of testing equipment and its use.

# THE PROGRAM

The Henry O. Peabody School for Girls is unique in the field of career training. In the words of its chief benefactor for whom the school is named, "It is so established and endowed as to furnish the best possible instruction and advantage to the girls attending it — at the least possible expense to the scholars." Its endowment enables it to offer the highest professional standards of intensive training for careers to meet the individual needs of each girl enrolled. It is tuition-free because it is also supported by local and federal funds, under the supervision of the Norwood School Committee. Mr. Peabody's will also specified that the purpose of the school is to teach "the various branches of art, science, and industry best calculated to enable the scholars to acquire an independent livelihood." It is almost a modern miracle that Henry O. Peabody, at the time of his death in 1903, could have had any way of knowing the important part that women were to play in day-to-day living a half-century later.

The five main courses of study leading to careers are:

Beauty Culture	Food Service
Business	Fashion and Apparel Trades
Practical Nursing	

The school enrollment has increased in the twenty years of its existence, and programs of study have been added to its curriculum, according to community needs. Since some of the programs are in fields in which many jobs are available for young men, the school enrolls a few boys who show evidence of sincere interest and aptitude.

# AT PEABODY

Senior students completing the course of studies receive the Norwood High School diploma and the Henry O. Peabody School certificate. The latter is earned after six months' successful employment in the field of training.

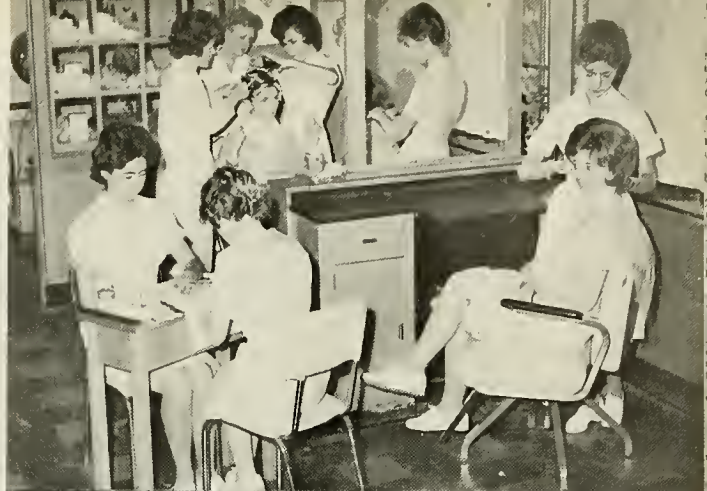

The school has earned an enviable placement record in the trades and in business. There exists an active Alumnae Association of graduates who have been helped through training and education to find happiness and success in many fields of endeavor.

Attention is called specifically to the change in the admissions policy in the Business Department. Beginning in September, 1962, the Business Department will enroll only high school graduates in each of the major fields of training.

The Department offers the following programs of study: an Accelerated Stenographic course for college preparatory students entering the business education area for the first time, an Advanced Stenographic course or a Business Machines program for business students, and a Clerical-Machines course for students who need to develop typewriting skill before entering the Machines major.

Upon successful completion of these one-year courses, the graduate will receive a diploma from the School and will be recommended for placement.

Practical Nursing, the latest course added to our curriculum, will be the initial course in a series of health service programs. This course is offered to post high school students only, and it consists of five months' training at the school and ten months' affiliation with the Norwood Hospital.

# Peabody Reminisces

We look back with fondness upon these events which have meant so much to us.

Our first affair was held in September at Rocky Woods Reservation in Medfield. Here, at our picnic, we had an opportunity to get acquainted with the eleven new members of our group, and to renew old acquaintances. The main features of the day were sack races, a pie-eating contest, and a three-legged race. Bill MacDonald, Joe Mahoney, and Wade Mackie made a trio we'll never forget.

The Student Co-operative election in October saw three seniors—Bill MacDonald, Theresa Pitaro, and Janet Grzybowski—elected to the Student Co-operative Board.

October provided an opportunity to celebrate United Nations Day. At a special luncheon, flags representing all nations decked the tables and we enjoyed tasty international recipes.

In November, each student had a chance to acquaint his parents with his teachers. Our seniors were well represented at this Parents' Night. Thanksgiving, with its traditional luncheon and "seconds," was enjoyed by all!

December was a festive month. The true spirit of Christmas has always been the theme that was stressed. Our pageant and "Operation Santa Claus" seemed to emphasize this meaning more than ever before.

The May Promenade was our next big event. Once this was over, each passing day brought us closer to that all-important goal—graduation.

Our Step Party was an event we shall long remember. The presentation of our scrolls and corsages made us realize that the last milestone in our secondary education had been reached. We certainly have many golden memories to make us remember our last wonderful year.

## **Peabody's New Frontier**

On December 1, 1960 a progressive practical nurse program was inaugurated at the Henry O. Peabody School. The tuition-free course is fifteen months in length — five months spent at the school, and ten months affiliation with the Norwood Hospital. This program is a pioneer in providing a more integrated clinical experience, and has the potential to be one of the best in the Commonwealth.

Women between the ages of 17.6 and 50 years who are United State citizens, and live within a reasonable commuting distance may be considered for the program.

## Round and Round We Went

Proud of our newly-acquired status as Juniors, the class of 1963 returned to make its mark at Norwood High. Our second year on the hill was characterized by an over-abundance of transition and confusion because of the delayed completion of our new addition. In a few months, we became expert at interpreting the hieroglyphics of "X" periods, D-4 segments and 6-lane traffic jams. In this and other respects, our motto might well have been "never a dull moment."

Our popular class President, Channing Souther, remained at the head of his fellow officers: Peter Antonitis, Vice-President; Barbara Cronin, Secretary; Anita Grinavic and Chris Donahue, Treasurers; Patty Viles and Geoffry Fanning, A.A. Representatives.

The members of the class of '63 remained loyal and spirited sports enthusiasts, a fact proven by our unfaltering attendance at games and our contributions to the teams. After two years of hard service, the boys chosen as varsity football captains were Jeff Fanning and Chan Souther. Dana Maus, for his "never say die" Nuggets hustling, was elected hockey captain. Bob Adams, Dave Tracey, and Chris Donahue formed the front line of hoop-men, and "Beano"

Carrabino demonstrated varied athletic skills, not only in football and baseball, but also in the newly-organized gymnastic club. Anita Grinavic, Marcel Vinson, and Susan Devine were the Junior members of the cheering squad.

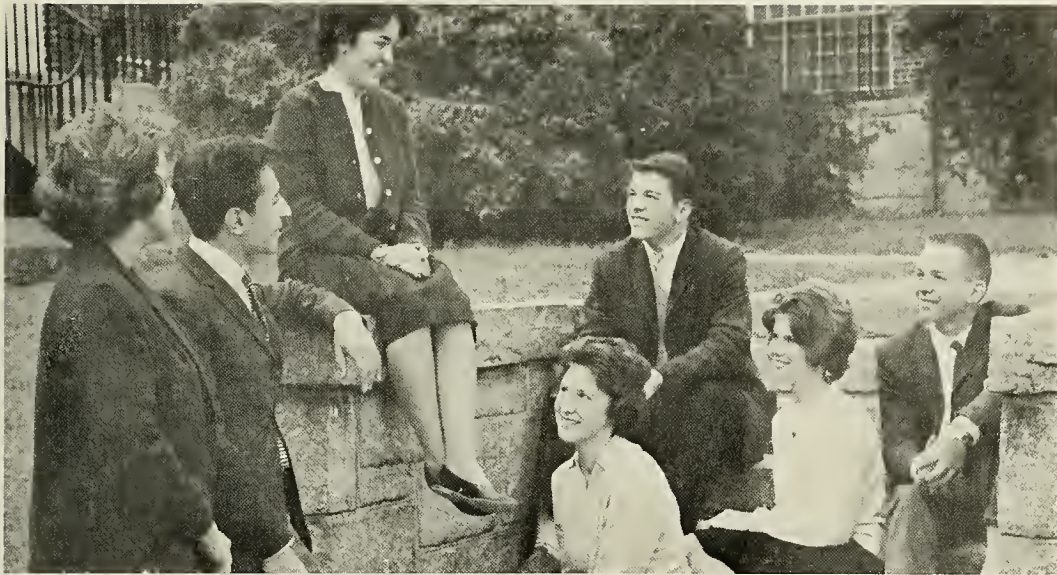

After months of work and planning, the May evening of our Junior Prom finally arrived. Everyone spent a memorable time in the oriental setting of "Mahari."

Our last official act as Juniors was the management of Class Day. Bidding fond farewells to the upperclassmen, we eagerly anticipated our ascent to the throne.

## **We Were The Older Newcomers**

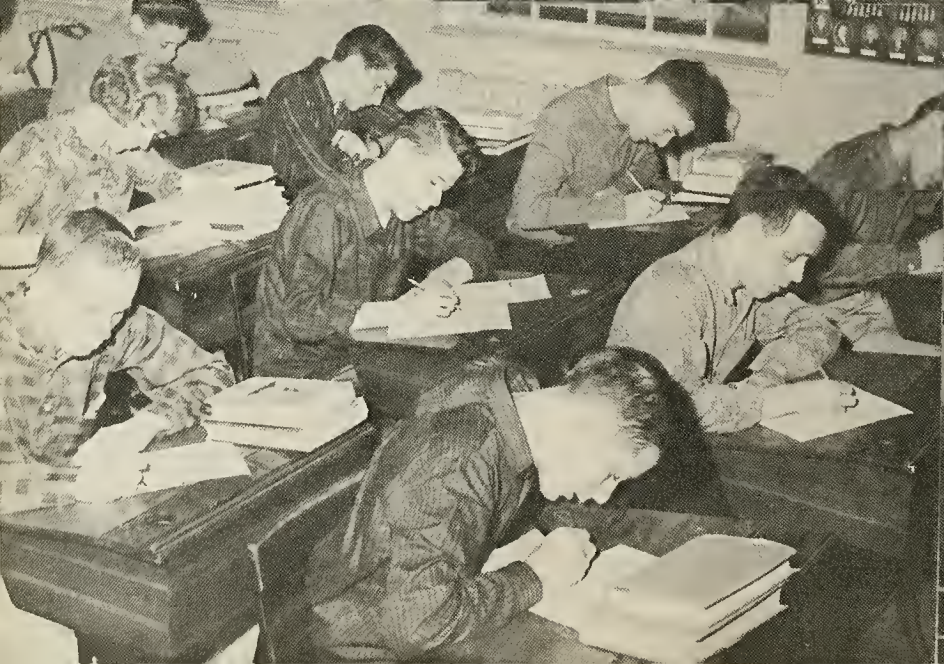

As we Sophomores entered the Norwood Senior High School in September, 1961, we were startled at the appearance and physical disorder of the school, due to the construction of the new addition. This confusion was increased by the admission of the Freshman class, making split sessions necessary. Our first impression was, "It's horrible," or, "I wish I were back at the Junior High," but as we became better acquainted with Norwood High, we learned to appreciate and love our new school, despite the drawbacks. A good summation of our feelings was expressed by a sophomore girl, "Our school may seem at first bewildering, but underneath the apparent confusion, there is system and order. It is our school and we're proud of it."

On the night of October 27, 1961, the Sophomore Party was held in the school gymnasium. Ninety percent of the class appeared, anticipating a gala and exciting night. Their wishes were fulfilled to the nth degree. Everyone participated in the dancing with the help of a few "Paul Joneses" and "Snowball" dances. The Grand March was held just before intermission and during intermission, entertainment was supplied. There was a pantomimic imitation of a professor by Ralph

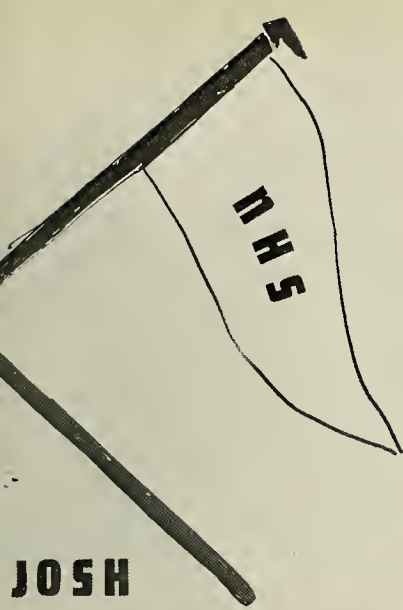

Nixon, with Victor Lapuxzynski supplying the voice. Bruce Kauffman was commentator and also author of this original skit. Other performers were: William Jank, Richard Susi, Robert Lynch, John Maddocks, Leah O'Leary, Margo Christensen, Albert Kublek, and Alan Witty. The party ended at 11:00 p.m., sending everyone home happy from an event which will be long remembered.

## **Fresh As We Come**

For the first time in many years a ninth grade class was to be part of the high school student body, and we Freshmen were very aware of the fact that we were an experiment and would be under observation. We arrived at "the school on the hill" determined to prove ourselves good citizens.

Freshman classes were not the only oddity at Norwood High. We soon found that, since the new addition to the school was not yet finished, "double sessions" were in order. During that first week, always a confusing one, we discovered just how tangled a traffic jam of twelve hundred students can make. Miss Ryan and Mr. Monbouquette were well known figures that week as they stood directing traffic amid the surging masses of students.

In October great preparations were under way for the first freshman party, and on October 27 this long anticipated event took place. Our theme was "Over the Rainbow" and the gym was decorated accordingly. Everyone had a wonderful

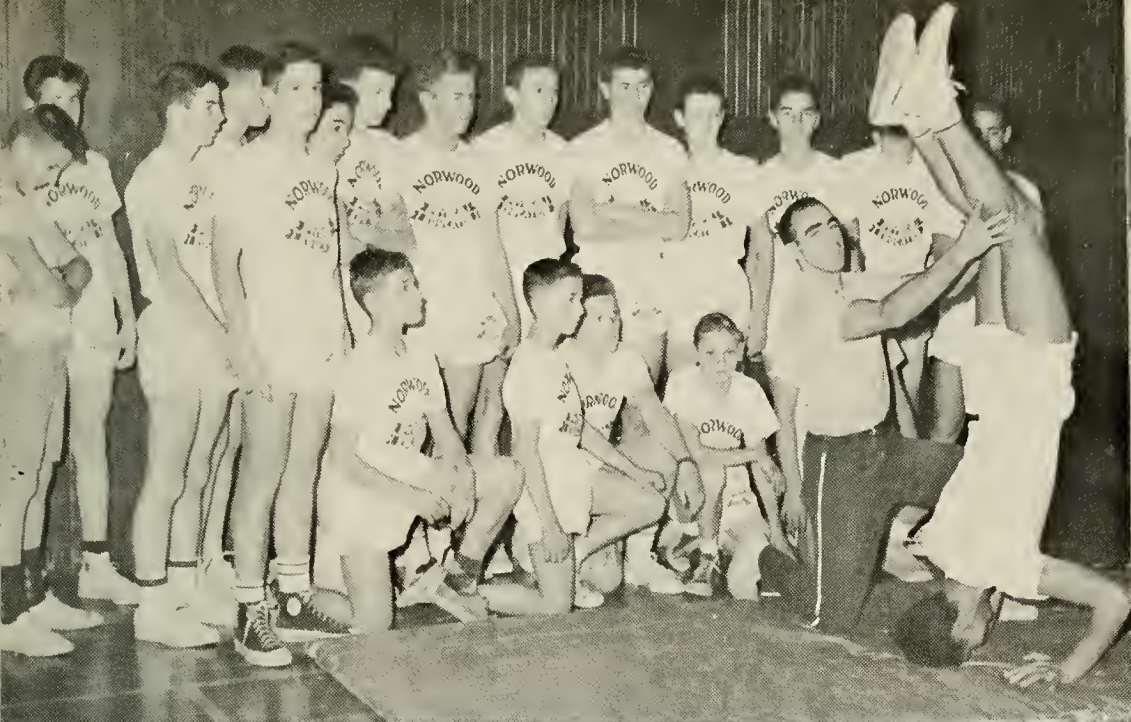

evening, and to our great satisfaction, the teachers told us that they also considered it a success.

We feel that we have upheld our school's honor on the football field, basketball court, and hockey rink. The freshman teams have practiced hard and have come through well. We all look forward to the day when our athletes will be part of THE TEAM and the rest of us will be right there to cheer them on.

## **The Student Council Functioned Despite Drawbacks**

Despite the obstacles that have beset this year's council, the Norwood High Student Council of 1961-1962 has fared successfully. Its leadership was placed in the capable hands of Paul Karshis, president; Channing Souther, vice-president; Katherine Patten, recording secretary; Roberta Oliver, corresponding secretary; and Robert Baxter, treasurer. Sharing this responsibility was the Executive Board, including chairman Bernadette Gotovich and members, Judith Folan, John D'Espinosa, Susan Carolan, Barbara Cronin, and Mary Grazado. We were also happy to acknowledge the admittance of freshmen representatives to this year's council.

Our first big social event was the Autumn Frolic, held on Friday evening, November 17, 1961. The festivities were further entranced by the bright fall decorations that gayly adorned the gym. The council gave \$150 of the dance's proceeds to the Foreign Exchange Committee.

This year, as in years past, an assembly was held on March 16 and foreign exchange students attending high schools in this vicinity were present as guests. Included among the guests was Norwood's own Hale Sacir, this year's foreign exchange student from Turkey. Other panel members were present from France, Germany, Pakistan, Denmark and Norway.

As an added attraction to the Foreign Exchange Drive, an exhibition basketball game was held between the more agile male members of the faculty and student officers. This event proved to be most successful financially but the teachers' victory was somewhat questionable, the referee being a faculty member.

Delegates from Norwood High were sent to the annual Student Council Conference held in April at Burlington, Massachusetts. This proved to be a most profitable experience. On comparing notes with other councils, we felt we had gained as well as offered much.

The alternate Student Council Representatives collected funds for the annual Assembly Drive in May. The Student Council has consistently supported a strong

assembly program because it adds much to the enjoyment and education of all students.

Action was taken by the Council, under the advice of John Folan, which facilitated the somewhat complicated traffic routing between the new and old buildings.

Certificates of recognition for service on the Council will be awarded this year to all officers, executive board members and students who have served for a period of two years.

The Student Council would like to express its appreciation to Miss Hubbard and Mr. Busconi our faculty advisers, and to Mr. Charles Hayden, our principal, and to the student body for its support and interest.

## **The Hilltopper Tops Its Own Record**

Editor Algis Makaitis and his hard-working staff on the Hilltopper produced a record number of issues this year beginning with an unprecedented October edition.

The enlarged staff included an advertising department consisting of Christie Tragakis, editor, Katherine Patten, Lorna Thompson, Robert Baxter, and Joan Granlund. Fred Purnell did most of the photography work and also produced a fine series of articles on current affairs. A series of brilliant satires, written by Charlotte Clem, was enjoyed by all readers. From the Secretary's desk, Marguerite Krupp sent her regular column and Joe Savina did a marvelous job on the sports page. The art staff produced many lively posters for each issue, with brushes being wielded by the talented hands of Donald Meeker and Kathy Patten. Sally Breen and Joan McTernan expertly handled the ever-popular "Hearts and Flowers" column.

Our versatile staff of all-round reporters did an excellent job of covering school, national, and local events. They were: Ellen

Murray, Karen Kelley, Joan Deasy, Carol DiCicco, Alexis Bamford, Donna McClellan, Mary Grazado, Susan Hayes, Mary Ann Paul, Genevieve Glebauskas, Phyllis Solomon, Mary Hucksam, Joan Connolly, Judi Lindquist, Betty Deasy, Kestutis Makaitis, and Phyllis Kallstrom. The Hilltopper has now become an established feature at Norwood High.

## We'll Get There Yet

September 23, 1961 marked the start of a long, cold fall as Needham completely dominated the offense in our first football fray and won easily 18-0. Against Walpole, the Norwood offense showed little, as Walpole's defense was never dented. A victory was theirs 13-0. Penalties at crucial times proved the difference, as Norwood failed to score and lost 12-0 to Milton. A poor pass defense proved our downfall when Marlboro scored twice on passes and won 20-12. Bill Davis and Bill Carrabino scored the Norwood touchdowns.

Next Wellesley proved too strong, despite Bill Davis's fine run for the first touchdown, and the blue and white lost 30-12. A clutch conversion pass from Bill Carrabino to Chan Souther provided Norwood with the first and only victory, over Braintree

8-6. Next and for the fourth time Norwood was shut out by Framingham 14-0.

For the tenth straight year Norwood bowed to Natick 20-12, despite a fine performance by Rich Armour. Thanksgiving morning Norwood lost to Dedham for the first time in eleven years. Two early lapses by Norwood gave Dedham a 14-0 lead in the first half, and in spite of a fine performance by Norwood in the second half, Dedham won 22-20. Chan Souther scored all the Norwood points.

Ah, well, the only place to go is up and these players and their coaches deserve praise for their spirit and courage. It isn't easy to persevere in the face of misfortune, but these staunch sportsmen are the kind that "never say die."

## All That Glitters Is Not Gold

As defending champions of the Bay State League with only four returning lettermen, Norwood High's Golden Nuggets managed to finish in the first division. Our season started off on a sour note by losing to an experienced Walpole team 5-3. The only bright spot of the day was a hat trick by sophomore Paul O'Donnell. We won the four next games from Wellesley, Dedham, Milton, and Framingham. The Needham Rockets proved too powerful for our local lads by 5-2, although Norwood outplayed Needham. We lost our next game to Natick, Capt. Dave McCue being sidelined with an injury.

We next defeated our arch-rival, and previously undefeated Walpole 2-1. The following game was dropped to Wellesley 5-1. In the next two games, the Nuggets proved themselves superior to Dedham and Milton, as we defeated them 3-1 and 4-0,

respectively. The Framingham contest resulted in a wild affair involving both teams in a free-wheeling brawl, with Framingham achieving the victory. Our underclassmen played an inspiring game, but dropped the decision to Needham, 7-0. To the end the season we completely dominated the play with Natick to the tune of 6-2.

Our high-scoring first line was fortunate to have Wayne Petrovek and Al Crowell who both finished second in the League's scoring contest. Capt. Dave McCue rallied the defensemen along with Rick Armour, Marty Callaghan, and Bill Callahan. Junior Jeff Fanning held down the goalie position and did a creditable job.

We were an inexperienced team but we improved with each game. Look for the Golden Nuggets to have a fine season next year.

## Comme Ci, Comme Ça

Lack of height and a reliable bench proved to be too great a handicap for the Hilltoppers this year. We opened our season with a convincing 62 to 33 victory over our arch rival Dedham. The team then proceeded to play the next seven games without a victory. Led by Captain Pete Maddocks' 24 points, however, we again defeated Dedham 44 to 40. Norwood then continued on the winning trail, as we downed a fighting Walpole team 66 to 52, but, the next six games resulted in losses for the team.

Captain Maddocks led the team in scoring with a 20.6 per game average, and in every other department except foul shooting. Outstanding efforts for the team was made by Paul and Bill Bender, Bill Balutis, Bill Davis, John Richards, Chris Donahue and Bob Adams.

The team certainly played better than our 3 wins and 13 losses indicates. Included in our losses were a 41 to 37 loss to Walpole, a 51 to 49 defeat by Wellesley, and an 81 to 76 setback suffered at the hands of Milton.

Norwood was represented in the Bay State League All-Star Game by Pete Maddocks, who started at center and scored 8 points. Pete finished second to Bob Rossi of Wellesley in the individual scoring race. It was a "so-so" season but an exciting one.

Coach Richardson had nothing to lose by playing a great number of juniors and sophomores, who will make up the team next year. With an outstanding crop of sophomores, aided by very capable juniors, Norwood should be well represented in the Bay State League next season.

### Baseball - Varsity Squad

- Row I: Balutis, D'Espinosa, Callaghan, Mattson, McDermott, Knox, Didick, Crowell  
 Row II: Coach Poce, McDonough, Falcone, Tracey, Carrabino, Matola, Wallace (mgr.)  
 Row III: Maus, Breen, Donovan (mgr.), LaCivita, Loper

## Our Team is Up and Coming

This year's baseball team is living up to all expectations and hopes. Sparked by Captain Jim McDermott at second base, we have a fine infield including Albie Crowell, as catcher; Jackie Knox at first; Ronnie LaCivita or Walter McDonough at short-stop; and Dana Maus at third base. In the outfield, we have Bill Carrabino in left, John D'Espinosa in center, and Joe Didick in right. To complete the roster, we have a fine pitching staff including Denny Mattson, Marty Callaghan, Rick Falcone, Skip Loper, Bill Balutis and Bill Breen.

Norwood's "Pocemen," so-named for Coach John Poce, started the season off strong by beating Dedham and Walpole 3-2 and 10-7. Then they lost two close ones

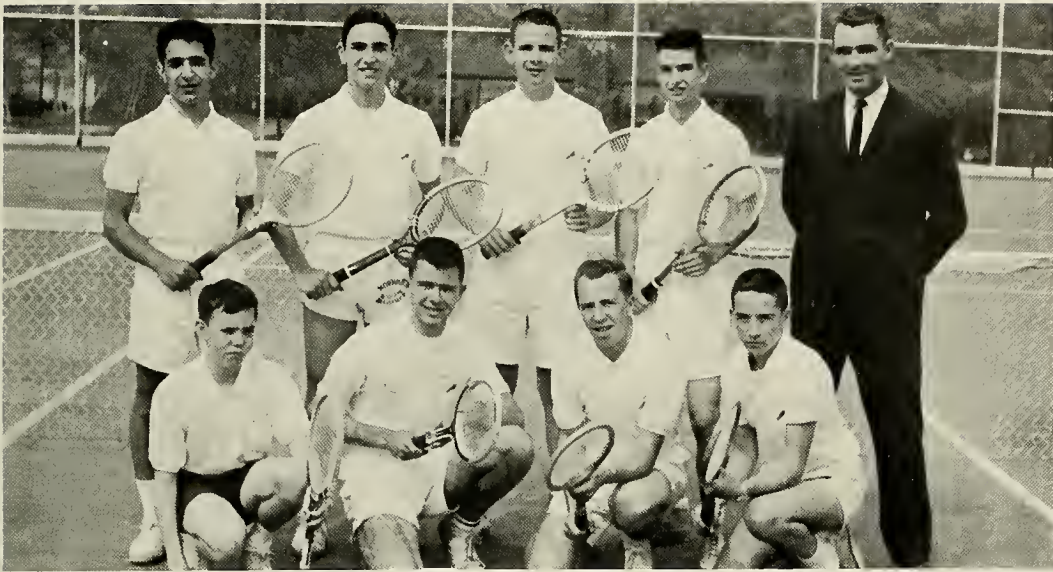

to Wellesley and Natick 6-3 and 6-5, but they finished the first round in fine fashion winning four straight: over Framingham 11-1, Needham 12-2, Braintree 6-5 and Milton 8-2.

At the beginning of the second round, they dropped two games to Wellesley 9-0 and Natick 4-2. Now, as the book is going to press, the team is well up in the first division and still has a chance for the championship.

A lot of credit for this year's team goes to Mr. John Poce in his first year as varsity coach. He has instilled good spirit as well as good baseball techniques in his diamond performers.

# *Class Will and Testament*

We, the Class of Nineteen Hundred and Sixty-Two, being of relatively sound mind and body, do hereby proclaim this to be our last will and testament, bequeathing our most cherished possessions, acquired during our three years at Norwood High School, to the most deserving undergraduates and do declare all other endowments set forth in our name null and void.

**Article I:** To Mr. Hayden we leave an enlarged Hill and our sincere appreciation for his patient and understanding guidance during our three years stay at N.H.S.

**Article II:** To Mr. Monbouquette, a boutonniere to enhance his handsome appearance as he patrols the halls, or perhaps a velvet glove for his iron hand.

**Article III:** To the Senior Advisers and all our teachers, our heartfelt thanks for their help and advice and a blanket apology for any trouble we may have caused them.

**Article IV:** To Miss Ryan we leave our gratitude for her untiring work in the Senior Play and Musicale and a year's supply of hair brushes to be applied one way or another.

**Article V:** To Mrs. Riley we leave our thanks for her ceaseless efforts which produced an outstanding yearbook, one which the Class of 1962 will always cherish.

**Article VI:** To Coaches Gulla and Fusco the senior football players leave their earnest hopes for a better season in '63 and a victory over Dedham High.

**Article VII:** To Mr. Flaherty, the cast of the Senior Play leaves three red velvet waistcoats, junior size, for sons number one, two, and three.

**Article VIII:** To Mr. Dunn we leave a soundproof math room to prevent the flowing streams of "sweet" music from disturbing his intellectual students, and the prize for the most talented cartoonist of the year.

**Article IX:** To Mr. Bush we leave a golden chess board in the shape of a tennis racket and an art room equipped with wall-to-wall sinks.

**Article X:** To Mr. Faucett we leave a new soundproof music room with the hopes that the Varsity Choir may materialize next year for the pleasure and enjoyment of the entire school.

**Article XI:** Hali Sacir leaves for her native land of Turkey with fond and lasting memories of her year spent in America.

**Article XII:** John D'Espinosa leaves his outstanding presidential abilities to the Junior, Sophomore, and Freshman class presidents, Channing Souther, William Bazzzy, and his own brother Paul.

**Article XIII:** Beverly Rodgers leaves her knowledge and experience of the world beyond the U.S.A. to Bob Holman.

**Article XIV:** Paul Bender and Bob Coughlin leave their athletic abilities to next year's top men on the gridiron, Chan Souther and Jeff Fanning.

**Article XV:** The Cheerleaders of '61-'62 leave their hoarse voices to the next personable aspirants to their job.

**Article XVI:** Donald Meeker leaves his well-worn discus to next year's champion.

**Article XVII:** Kathy Patten refuses to leave her title "Terror of the Tiot Room" to any succeeding art editor.

**Article XVIII:** Mary McAuliffe and Billy Callahan leave with a sigh of relief, a job well done, to be emulated by next year's top Tioteters.

Article XIX: Joyce Plasko and Mary Eckhardt leave their tasselled boots and plumed hats to their succeeding acrobatic twirlers and swirlers.

Article XX: Maribeth leaves her younger sister Margie to carry on the Pender tradition.

Article XXI: Joni Granlund leaves her fashionable wardrobe and chic taste to Sonya Wieczorek.

Article XXII: John Howard leaves a year's subscription of "How to Excel in Calisthenics" to next year's football team.

Article XXIII: Peter Maddocks leaves his fantastic scoring ability to sophomore Billy Bender who shows similar talent.

Article XXIV: Dave McCue leaves his terrific spirit and hustle to Dana Maus who has displayed great "offensive" ability.

Article XXV: Susan Pike leaves her newly published book, "Ideas, New and Old" for the enjoyment of the whole school.

Article XXVI: Donna Rentel and Marie Haasis leave their "best friends" label to Sue Devine and Dottie Foley.

Article XXVII: Ronny LaCivita and John Wozniak leave a truck-load of seven-foot snowmen to be distributed among the senior girls come winter.

Article XXVIII: Paul Campisano leaves to all candidates for "most popular boy" the suggestion to read the book "How to Win and Influence Friends."

Article XXIX: Algis Makaitis departs for the editorial staff of the New York Times, having profited by his experiences as Hilltopper editor.

Article XXX: Libby Dempsey and John D'Espinosa leave with the word "sponsor" engraved on their hearts forever.

Article XXXI: Paul Karshis surrenders his gavel and imposing title of Student Council President to next year's top trouble-shooter.

Article XXXII: Gema Duoba and Phil Karshis leave their "cutting up and pasting ability" to the 1963 Art Editors.

Article XXXIII: Kathy Boulis and Chris Tragakis leave their love for collecting the "long green" to next year's advertising team.

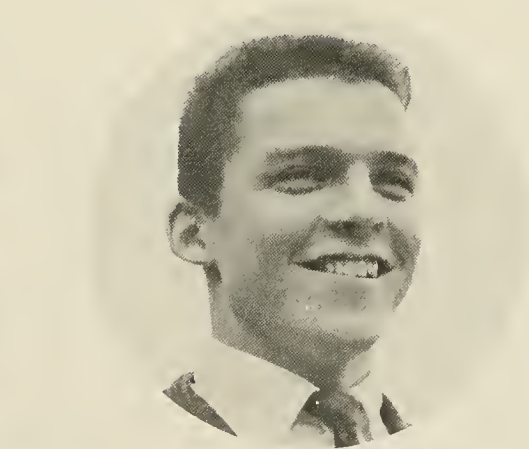

Article XXXIV: The Class of 1962 leaves regretfully with visions of rotating schedules and X periods dancing in their heads.

In witness thereof, we have hereunto subscribed our names and affixed our seal on this

# *Merci Beaucoup*

We wish to take this opportunity to thank the sponsors and advertisers who have helped us to finance this yearbook. At the same time, we wish to suggest to our fellow classmates and to all our friends who read this book that they patronize the stores listed in our advertising section. Yearbook advertising may reach a more limited audience than newspaper advertising, but it is much more permanent and much more handsomely displayed, and it will be read through the years by all of us who cherish this souvenir of happy high school days.
